**T**hese photos were taken at the back of the factory where my boyfriend Fred and I work. We used to spend our breaks kissing and cuddling round the back of the stores.

With all the hot weather we had in the summer, we got more and more carried away. One week we decided to meet round by the back gates in the old gatekeeper's shed.

We had planned to get down to some serious shagging. I had deliberately gone to work that day in a thin T-shirt, mini-skirt and no knickers.

All morning my pussy was getting more and more juicy. I couldn't wait till lunchtime.

When the siren went off we both rushed out the back. We were gagging for it and I

## FUCK FACTORY

practically ripped the buttons off his jeans in the rush to get his cock in my mouth.

I was really going for it, sucking and licking the purple end and wanking him with one hand while the other stroked his balls.

Fred suddenly put his hand on my head and whispered that someone was coming but I didn't bother to turn round. If he wasn't going to stop, neither was I.

The footsteps stopped behind me and I could just hear a man breathing roughly. Then Fred pulled me towards him and kissed me.

He pulled my T-shirt up so my 34C boobs bounced out into the open air, and he squeezed them and pinched my nipples.

He turned me round to face the other bloke and I saw that it was our foreman Neil. He was standing there with his enormous dick in his hand, grinning as he looked me up and down.

As I now had my back to my boyfriend he leaned against the metal

railings and put his thumb into my cunt.

Holding my pussy lips open with his fingers, he stroked my clit.

I was so wet and excited that I flooded his hand and as my hole was gaping open it made it easy for Fred to stuff his dick straight into my cunt.

I fell forward onto Neil's cock and started giving him a blow-job. This was my ultimate fantasy – two blokes at the same time.

I really enjoyed licking and sucking at his thick cock, sliding my tongue up and down it. I forked my tongue into the slit, lapping up all the oozing pre-cum.

It didn't take long for my boyfriend to spurt his thick cum into my wet pussy and practically at the same time I got a mouthful from Neil.

As he sprayed my face and tits with his creamy spunk I felt it run over my chin and drip onto the ground.

Neil has still never mentioned our threesome!

# LUCKY TRUCKER

**L**ate one Friday night I was on my way home from a night out with a couple of friends. We had been out to an underwear and sex toys party.

After hearing some of the sexy stories told by some of the women and seeing all the vibrators and sexy underwear, I was quite horny – dripping wet in fact!

I dropped my friends off and headed for home. Half way there I could feel my car pulling left. I pulled off the road into a truck stop on the side and got out of the car.

I was only wearing a black leather top with see-through front, no bra, a short red skirt, a black leather G-string and black lace hold up stockings.

I looked around and saw there were four trucks parked there. After a few seconds a couple of drivers came over to see if they could help me.

When they saw what I was wearing they started wolf-whistling. Then the other drivers came over to see what was going on and they stood around me.

One asked what a tart like me was doing in a place like this. I told him I thought I had a flat tyre. He said he'd change it for me so long as I paid him in kind.

I laughed but he wasn't joking. This was one of my fantasies – to be fucked by a load of dirty truckers. I was a little scared but excited by the possibility of it.

One driver grabbed my arse and said he'd like to fuck me in the back of his truck. He slipped his hand up my skirt and into my G-string. I was so horny I didn't try to stop him.

He shouted to his mates, "This bitch is soaking wet!" Another one grabbed my huge tits and told them all I needed a good fucking.

The first bloke still had his hand down my G-string and was giving my pussy a good rub. He finger-fucked me till I came while the other one sucked my erect nipples.

The other four blokes watched for a while, but I was so horny I was ready to take them all on. They began to push me from one to the other, touching me all over.

They kissed me, fingered me, sucked my tits and licked my dripping wet cunt. I came so much it was running down my legs. It didn't run far – they lapped it up and rubbed it over my tits.

It felt so good and the smell of diesel was really making me horny. When they had finished handing me around they ripped off my leather top.

Then they cut my leather G-string off, bent me over the bonnet of my car and fucked me one by one. I had never had so much cock up me – I loved it.

When they were finished doing me over the bonnet they carried me to one of their trucks. I lay on my back and they started all over again.

I had cocks in my mouth, they fucked my tits and my pussy. One trucker even had his finger up my arse, which felt strange, but good – it made me even hornier.

They came in my mouth and over my tits, rubbing it all over me with their big hard cocks and making me lick every ounce of cum off their meaty knobs.

## "I had cocks in mouth, tits, pussy"

I had two fucking my mouth while one fucked my tits and the other licked my wet cunt as I tossed the remaining two off.

I had six big diesel-smelling truckers all at the same time. They'd regularly change places and this went on for hours before eventually they let me clean up and go home.

They changed my flat tyre for me and off I went. I never saw them again but I will never forget them or that night. The smell of diesel still turns me on and reminds me of it.

## SQUEEZE IN

**A**few weeks ago my boyfriend asked me if I would dress up in my old school uniform and allow him to take some photos of me.

Up for anything as usual, I readily agreed. We had just about finished the film in the Polaroid camera when his friend Andrew walked through the unlocked front door unannounced.

He stood there staring at me, amazed to see me in just my old school skirt and stockings. His amazement soon turned to excitement.

Being an exhibitionist, I thought I'd lift up my skirt to give him a better view of what he obviously wanted to see. My boyfriend nodded in approval and I lifted my skirt high above my waist.

He wasted no time in kneeling down in front of me, going to work on my pussy. He buried his face in between my legs and lapped at my clit with his warm, wet tongue.

I let out a sigh, never taking my eyes from Andrew who by this time had unbuttoned his jeans. I watched as he took out his cock and then I called him

over to me.  
I took his cock in my hand and began to wank it. My boyfriend stood up and I knelt down and took them both in my mouth, sucking and licking every inch of hard cock I could.

By now my pussy and arse were on fire. One of them had to be filled, and my boyfriend took the lead. He pulled his cock out of my mouth and moved in behind me.

I got on my hands and knees, doggy-style, and raised my arse high in the air. My boyfriend began licking my soaking wet pussy from behind.

He slipped two fingers inside me while I carried on sucking Andrew's cock. My boyfriend took out his fingers and replaced them with his cock.

He began pounding in and out of my aching pussy. I slurped and sucked on Andrew's cock while being fucked from behind by my boyfriend.

I had always wanted to be licked and fucked by two blokes at once and this was a dream come true. The lads changed places and as I licked my juice from my boyfriend's cock and balls, Andrew shafted me from behind.

I was horny as fuck and to make

my ultimate fantasy come true I said I wanted them both to fuck me at once – one in my arse and one in my pussy.

Both happily agreed and I straddled my boyfriend as he lay on the floor. He slipped his cock into my now dripping wet pussy as Andrew climbed on from behind and took me up my tight arse.

We all began moving together and as Andrew pumped at my arse I knew it wouldn't be long before I reached a climax. Within seconds I was cumming, shaking and screaming in total ecstasy.

My boyfriend and Andrew then both said they were going to cum. I told them I wanted both my holes filled with their juicy spunk.

They fucked my arse and pussy until they both let out almighty yells and shot their loads, filling me right up. I was in heaven. I was well and truly fucked, but completely satisfied.

# NYMPH GLANDS

I'm a 22-year-old nymphomaniac who is into all sorts of sex. My favourite thing is being tied up and fucked.

My boyfriend loves tying me to the bed and then having his way with me. Sometimes he blindfolds and gags me too, which I love.

Last weekend my boyfriend and I planned a night of hardcore fucking. We unplugged the phone, drew the curtains, cracked open a bottle of wine and put on a porno.

After a while my boyfriend got his cock out and told me to suck it. I did as I was told, kneeling in front of him and sucking his hard pole for all I was worth.

Soon he was pulling my hair and telling me he was about to cum. I sucked even faster, anticipating a throatful of salty sperm. When he came I milked his balls dry, swallowing every drop.

Then I led him upstairs and told him to lick me out till I came. I lay on the edge of the bed with my legs high in the air. He buried his face in my pussy and hungrily lapped away.

I started flicking my clit when I came close to orgasm. This sent me over the edge and with a squeal I came, my cunt contracting madly and showering his face with juice.

That was all foreplay leading up to the main event. This was how we often did it. I trembled with excitement as I waited for the order.

"Get on your hands and knees and stick your arse in the air!" he said. As I did exactly as I was told I could hear the ankle and wrist cuffs clunking together in his hands.

I felt him roughly pulling at my arms so my wrists were alongside my ankles, my legs well spread. Then he fastened my wrists and ankles into the cuff so they were bound together.

I was totally at his mercy with my face in the pillow, my arse in the air

and my arms and legs strapped together.

Then he made me beg him to fuck me. I cried out, imploring him to shove his big hard cock right up my juicy snatch.

Finally I got what I wanted, as he drove his cock right up in one go. I moaned in delight as he started fucking me deep, fast and hard.

I was so turned on being his sex slave that I came straight away. "Now I'm going to fuck you up the arse!" he said.

I braced myself for an arse pounding as he lined up his cock. Then he slid it up my tight ring and began slamming into me.

Eventually he pulled his cock out of my stinging arse and shot his load all over my arse and pussy, before loosening my bonds and letting me suck the cum off his sock.

## DO NOT DISTURB

Last week I lived out one of my sexual fantasies by having my first lesbian fling. I am temping as a maid and I was sent to this big house in Kensington.

When I arrived I knocked on the door to be greeted by the sexiest woman I have ever seen. She introduced herself as Jane.

When she'd shown me what had to be done, she left for work. After a morning at it I was finally finishing up. I only had the master bedroom to do.

While making the bed I came across

a 10 inch black vibrator under Jane's pillow. I could still smell the scent of her cunt on it.

I started to fantasise about Jane using the vibrator on herself and on me. I lay on the bed, shut my eyes and started to wank my clit.

As I rubbed myself up into a frenzy I imagined Jane stuffing every last inch of the big black vibrator up her cunt. My breath quickened as my rubbing became more frantic.

As I was about to cum I felt hot breath on my pussy. I had not heard the key in the door and

"I sniffed  
her dildos  
as I  
wanked"

now Jane was kneeling bedside the bed with her tongue ready to lick my wet hole.

I was a bit shocked and I went to close my legs, but Jane stopped me and smiled. She started to lick my clit with her wicked tongue.

Then she started to finger me, working one and then two digits up me until she was finger-fucking me with three fingers.

I started stroking her long blonde hair and then I thrust her head into my cunt and held it there until I came into her mouth.

With my cum dripping from her mouth, she stood up to remove her suit. I could

not take my eyes off her sexy body and shaved cunt.

Jane lay down on the bed beside me in the 69 position and I edged nearer to her cunt. She was beginning to moisten and I could smell her juices. Being a muff virgin, I was a little bit scared.

Jane picked up on this and reached down to thrust my head into her cunt, which was now dripping. I tentatively began to lick her pussy.

I found that I really liked it, and as she pushed my head further into her minge I began sucking away like I'd been doing it for years.

As I licked Jane's clit she started to rub my cunt with her vibrator. It was an amazing sensation having another woman pleasuring me for the first time.

Within seconds I was cumming all over the place. Jane then switched it to full power and plunged it inside me.

She started fucking me with it, sliding it in and out of my slippery gash while circling my clit with her thumb. Then I came again and it gushed out over the vibrator.

This sent Jane over the edge with pleasure and she could not stop cumming. I lapped

up her juices like a thirsty pussycat.

After hours of stroking, licking and fucking each other with the vibrator we lay there exhausted in each other's arms.

As I was leaving, Jane kissed me on the cheek and said she would be booking me again. All the way home, my pussy was leaking juice at the thought of what I'd been up to.

That night I told my boyfriend who was hugely turned on. He promptly took these photos of me and followed them up with a fantastic fuck!

**Janet Frogmore gets down at an upmarket Midlands venue...**

**M**ore Flirty Towers than Fawlty Towers, Liberty Elite is a sex club with accommodation attached or, rather, reached by nipping swiftly across the lawn from clubhouse to terrace. The building was formerly a hotel, but is now closed to the public and converted entirely to a luxurious and lovely venue for sexy-minded people.

The row of suites in the terrace, where overnighters stay, have somehow got a touch of the Hedo II about them: the white walls, the overhanging porches, and given the heat of the evening on which I arrive, I could almost, for a moment, fantasise myself back in Jamaica.

I do have to warn you that the accommodation suites fill up fast, so it's advisable to book well in advance if you want to make use of one. If you're coming from some distance and the rooms are full, the club crew will recommend you somewhere local and pleasant to stay, and you'll still get all the delights of attending the place – and these delights are many.

As you might expect, it has something of a hotel vibe, though the feel is definitely five-star rather than Travelodge. All the fixtures and fittings have been chosen

to appeal to the eyes as well as the rest of the body: the whole place looks terrific. Everything from carpets to cushion covers seems to have been chosen by someone with a taste for the striking rather than the safely bland, and it's an over-all look that works very well.

There's a large socialising area, with nice comfy sofas, and French doors which allow for overspill into the garden on warm nights as the venue is quite private. Mind you, on those chilly nights later in the year, you might want to pull up your chair next to the roaring fire in the fireplace and warm your own or someone else's cockles...

The dance floor boasts a couple of poles and there's an excellent sound system if you want some music to lift your mood. Some nights are more DJ-heavy than others, but there's always something playing in the background, so you never get that awful Wetherspoons ambience of socialising in a painful silence.

There's a substantial jacuzzi in one corner of a large space and, next to it are couches and cushions. The jacuzzi is, I am reliably informed, the club's most excellent icebreaker

for the more hesitant first-timer as it provided a nice non-threatening excuse to get naked. As well as the couch-filled space, there are bedrooms both large and small, so you can be as exclusive or as all-embracing (literally) as you like. Also, should your tastes run to the more, um, interesting diversions, there's dungeon equipment should you fancy getting roped into anything. As well as the usual array of stocks and benches, there's a particularly magnificent bed with very cleverly designed rails that enable you to turn your bound slave over without having to release the cuffs and fetters, an idea which I can see many a use for. Indeed, considering the possible permutations of bodies here entertains me for several minutes before I move on with my explorations.

As dress codes

go, Liberty Elite is in the smart/casual bracket, with a ban on jeans and trainers and a preference for scanty sexiness on the girls – and it's perfectly all right to arrive in street clothes and change when you get there. There are, however, some nights where dressing appropriately is a different matter: the club hosts a fetish party called After Dark once a month and you'd need to dig out the leather/rubber/PVC ensemble to visit that one.

out what kind of sex life and what kind of relationships they really want: to the average 20-year-old, just getting laid in the first place can be a big enough adventure. There are some outfits that set and allegedly enforce an upper age limit of 40, but I can't comment on whether their events are as tedious as that sounds, not having tried any such thing myself. Liberty Elite's website state that the majority of members are somewhere between 30 and 50 in age,

brought myself back to my boudoir to sleep the sleep of the fully justified.

So if you're tired of peeling your feet off sticky floors and inhaling the ghostly odours of other people's former fornications, or have so far not fancied venturing into the clubbing arena because of fears it might all be a bit grubby and disappointing, it's well worth looking at Liberty Elite.

It's a club which really is at the upper end of the market, smart enough to make you feel special, but not up itself to the point where a beginner couple would feel too intimidated to stay (indeed, if you are new either to the club or the scene you will be welcomed all round and thoroughly looked after).

You can find out more at

[www.libertyelite.co.uk](http://www.libertyelite.co.uk)

I must mention that, if you

want to go, you need to

contact the club first rather

than just turning up on the doorstep. You need to take out membership but can do so on the night, so don't forget to bring ID.

Having been once, definitely fancy another visit (mustn't miss out on that kinky karaoke) and went off the next day to the ETO show without a cloud on my horizon. Apart from having to go back home on Virgin Trains again...

## "You might want to bring your own condoms"

After Dark isn't the only possible variation on the menu: as with many clubs these days, there's a variety of different nights to choose from, with some being couples-only, some a mixture, and frequent Special Events.

These events are all hosted by club members rather than outside promoters, and include greedy-girl nights and something which sounds highly entertaining but wasn't a feature on the night of my visit: swinging karaoke! I was there on an 'ordinary' Saturday night – as if there were anything ordinary about a good party – and found the other folks there to be a slightly upmarket mix without being up themselves about it. Some were merry veterans, some complete newcomers to the scene, and I found myself giving a lovely couple from Leicester the benefits of my wise-old-bird experiences.

Well, not that old, and maybe not that wise, but they listened politely anyway. Now, age is something that sometimes seems to concern people contemplating their first trip to a club or party night as in: what sort of age will the other folks be. The answer is usually that there will be some around your age, some a bit younger and some a bit older.

Unless you're nineteen or ninety, in which case you might be something of an exception (though I do know a chap in his 80s with piercings on his piercings, an all-over tan and the stamina of several men half his age, but that's another story). Late 20s is usually the lower age limit in clubs (not in terms of you-ain't-getting-in but in terms of who you are likely to see) simply because it takes most people a few years to work

which would tally with the folks I met on my visit.

I flitted merrily around the club, fortified by nibbles from the tempting buffet and further glasses of wine - this is another venue with a fully licensed bar, serving a pretty good range of booze at eminently reasonable prices, so don't bother bringing your own drinkies. You might want to bring your own condoms, but if you forget or have started the night in an unduly pessimistic frame of mind, condoms are on sale at the bar.

I had a couple of dips in the jacuzzi, which seats about 20 people comfortably and which was just at the right temperature to tantalise, rather than turning a girl's face that unappealing boiled-lobster shade (if I'm going to go all red in the face it ought to be from something more exciting than water).

I had a quick spin round one of the poles at one point, having heard a favourite song floating through the speakers, and met dozens of different but equally charming people.

Liberty Elite parties generally continue till about 2am, and it was approximately at that point that I happily

We've got balls like clockwork oranges after looking at crazy-coiffed Vello cet who we'd love to spray our moloko all over. "I'm a pink-haired slut with an addiction to stripping and playing with myself online in front of perfect strangers," confesses the 28-year-old tart. Three cheers for Kloe, nude cheerleader sextraordinaire. And three beers for us in celebration of unearthing this fantastically filthy 19-year-old. "Can you wiggle my pom poms? Only if you ask nicely!" she grins.

Whip crack away! George McCoy checks out the capital's corrective scene

"Looks like librarian,  
but will surprise you"

CFNM, i.e. clothed females, naked males and most routine corrective activities are the norm here. If you feel a little more adventurous, there are also strap-on/forced bi parties, as well as other specialised parties catering to bondage, foot worship and dinner parties for the mistresses, with the men in attendance and marked on their behaviour for suitable treatment at the end of the dinner. The ladies taking part in these parties are all clearly very imaginative and this unusual, indeed unique, operation is clearly now setting the standard for multi-domme activities not just in London, but in the country as a whole.

There is so much going on in the London corrective scene (so much so that I gave you a taste of it last year, mainly centred around the extensive black dominatrix scene there). Having recently been invited down to London to sample the delights, if that is the appropriate word of two very different, but each in their own way notable, ladies, I felt now was an opportune time to tell of more London ladies keen to show you how in control of you they would like to be.

The first invite I had was from **Goddess Cleo**, the brains behind a very interesting concept, Domina Parties. Now run by her and her colleague Miss Kitty Bliss, Domina Parties have been operating

since late 2011, at Goddess Cleo's flat and at other venues around London. It would appear elsewhere nationally before too long. The staple activity is the multi-mistress play party, which is ideal for beginners. The parties are invariably

I had hoped to meet and experience a session at the hands of Goddess Cleo and **Miss Kitty Bliss** together at the dungeon of Miss Kitty Bliss, which she has conveniently installed in the basement under her ground floor flat in Stockwell. But

unfortunately Goddess Cleo was not available and I was left to experience a session from Miss Kitty Bliss alone. This demure petite redhead, who would not look out of place working in a library, proceeded to surprise me with the vehemence she can deliver to a role play scenario. An hour later I emerged impressed by the energy and aplomb she was able to incorporate in the session.

This meant that on this occasion I was going to be seen to by Goddess Cleo alone and having been instructed as to how to find my way to her studio, I

made  
my way to Cable St,

Shadwell, where I was directed to her working flat, a very luxurious conversion within a Victorian building in the area. The Goddess is a no-nonsense lady, who does not like to be taken for granted and who will soon let you know if you start to take liberties, which I have to admit I am inclined to do. She came up with a fascinating session, which involved role play, and which was going very well until I started feeling faint, but Goddess Cleo is a real pro and handled the situation extremely well. This lady is clearly an expert at what she does and Domina Parties, must be the events to attend in London these days. Another sometime attendee at Domina Parties is **Madame Asha**, a lifestyle domme, who translates her professional interest in corrective

services into her private life and particularly enjoys such activities as strap-on training, intimate body worship and role play. A decidedly erotic dominatrix, she can also be pretty firm with her clients when appropriate.

The following morning I headed into West London to the **London Fetish Studio**, a very popular dungeon used by numerous ladies. It was my first experience of the dungeon and while compact, it included practically every form of equipment one could reasonably expect to use. I was there to meet up with **Madam Helle**, from Venice, who is still getting to grips with how she can operate here. Nevertheless, her manner was very different from Goddess Cleo, but no less imposing despite that. After the session, I was introduced to the proprietor of the dungeon. On this occasion I lasted the entire time, Madam Helle making sure I knew my place and not standing for any nonsense on my part. I would think any potential slave who is looking for an introduction to being submissive would find her the ideal choice, though her English is not always as clear as it might be, though I feel sure it will improve with time.

On my previous visit to London, when I saw Miss Kitty Bliss, I also experienced the Dungeon Manor, an interesting detached house in Orpington, where two ladies Mistress Evelyne and Lady Sarah Borgia see their slaves at a spacious house, with a pretty secluded back garden in this suburban corner of outer

They had indicated a willingness to show me how well they can dominate their clients and I was soon to realise one underestimates these ladies at one's

peril. We agreed on a role play scenario and I soon found myself trussed up like a chicken and unable to do anything about what was to hit me, in more than one sense of the word.

Suffice it to say they both played their parts with aplomb and if you feel like taking even one of them on alone, I would say simply be prepared for a very interesting and quite painful experience. Curiously throughout this session, they had a gentleman on the ground floor on his knees naked in the hall performing a function of penance as their live-in slave or some such role and it certainly brought an unusual frisson to

the whole experience. One takes on these ladies at one's peril.

Another lady I saw was **Goddess Maya Liyer**, an exotic part-Chinese, part-Vietnamese, part-French beauty, who is normally based in Walthamstow on the north-east side of London, where

**at your  
peril!"**

to show me around the house at length. They currently have one well equipped room, but other interior rooms have interesting possibilities and the garden at the rear holds great potential for pony play and other outdoor activities and they also have an interesting cellar accessible from the garden. I was very impressed.

she operates from her own studio, which rather appropriately, she has called Eastern Chambers. When the chambers are ready, she has indicated, she wants to treat me to an extended session there. I can hardly wait!

Another dominatrix well worth checking out if in London is **Mistress Tanya**, a Finnish lady, who used to see her slaves at a dungeon in South Kensington, but who has now moved to much more extensive premises in Fulham, and she now boasts a magnificent array of equipment including a bondage wheel, schoolroom and medical facilities. One of London's most notable dominatrices, having appeared both on television and in films, she started out as an exotic dancer in Holland and what with slaves available at her dungeon and a male fetish partner available also to join in during sessions, whether it is mild tie and tease or much heavier treatment you require, Mistress Tanya can and does deliver.

The last dominatrix of note based in London that I have met up with recently is one of the most unusual. **Domina Visuki** operates from dungeons in Seven Sisters or in Warren Street, and

is a self confessed punk domme, delighting in all aspects of punk culture and is a lady who appears regularly on stage with a punk band and who has done so for some years!

In keeping with her lack of heavy equipment at her main base, her favourite activity is corporal punishment, where she has a wide variety of implements she enjoys using, as well as rope bondage, wax and needle play, though for those of a more mild mannered disposition, she can

simply come up with verbal and physical abuse and humiliation, or tie and tease sessions, though she is always prepared to consider other ideas.

It should be noted however that she has a fairly extensive list of services she will not consider best checked out on her website and by virtue of her punk rock career, is only available intermittently.

Next time – George checks out Surrey.
